Manufacturer's Suggested Retail Price

Low Retail Value

This vehicle would be in mechanically functional condition, needing only minor reconditioning. The exterior paint, trim, and interior would show normal wear, needing only minor reconditioning. May also be a deteriorated restoration or a very poor amateur restoration. Most usable "as-is".

Some of the vehicles in this publication could be considered "Daily Drivers" and are not valued as a classic vehicle. When determining a value for a daily driver, it is recommended that the subscriber use the low retail value.

Note: This value does not represent a "parts car".

Average Retail Value

This vehicle would be in good condition overall. It could be an older restoration or a well-maintained original vehicle. Completely operable. The exterior paint, trim, and mechanics are presentable and serviceable inside and out. A "20-footer".

High Retail Value

This vehicle would be in excellent condition overall. It could be a completely restored or an extremely well maintained original vehicle showing very minimal wear. The exterior paint, trim, and mechanics are not in need of reconditioning. The interior would be in excellent condition. **Note:** This value does **not** represent a "100 Point" or "# 1" vehicle *.

* "100 Point" or "# 1" vehicle is not driven. It would generally be in a museum or transported in an enclosed trailer to concourse judging and car shows. This type of car would be stored in a climate-regulated facility.

The consumer values on NADAguides.com are based on the Consumer Edition of the NADA Official Used Car Guide® and should not be utilized for industry purposes. The consumer values may vary from the NADA Official Used Car Guide® values presented to you by insurance companies, banks, credit unions, government agencies and car dealers due to vehicle condition, regional market differences and frequency of updates.
